Lampe Berger User Manual Lampe Berger is a burner that fills with a homemade perfume at the game of your choice. The burner works easily, even though it is slightly different from what might be used to with a normal oil toaster or with aroma sticks. Work as follows: fill the burner to about half with liquid. Use the supplied funnel, so you can pour in a specific way. Just use the homemade perfume of Maison Lampe Berger to get optimal results. Put the fuse in the burner.
